"DRAGNET"

Do you remember the day that you saw members of the yearbook staff walking around the halls with their feet six inches off the floor? Do you recall that dazed, incredulous look in their eyes? Now the secret can be told! That was the day the letter was received from JACK WEBB. The word was whispered breathlessly during the passing periods. The message was: "He said, Yes!" Yes meant that we had his permission to build our book around the theme of "Dragnet," and that he would be happy to select the Queen of the NEVAMO.

We want to express to Jack Webb our appreciation for his generous consent to give us this privilege. We agree with the polls which prove that "Dragnet" is tops. Numerous awards have been given to the excellent programs which give the public a realistic picture of our police force in action. This is a "Dragnet" year, and we send our best wishes for many more "Dragnet" years!

Here wishing
lots of luck to a
sweet girl. Remember
English 6th hour.

Dear Mrs. Rimmer:

It was difficult to select your NEVAMO queen for 1954...all four girls are very lovely. However, because you insist on a decision, my selection is Peggy Brown.

Thank you again for inviting me to choose the NEVAMO queen, and for theming your yearbook to DRAGNET.

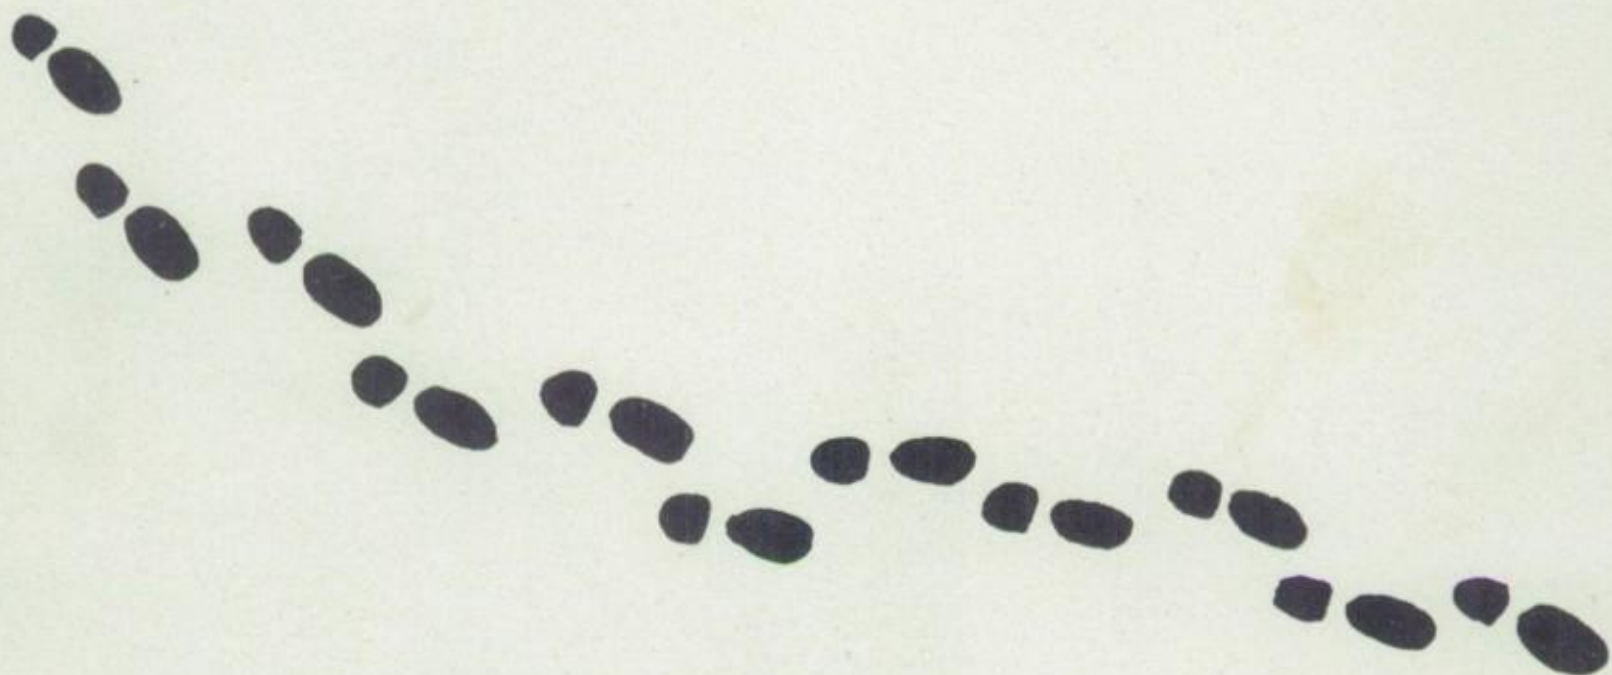

Sincerely,

Jack Webb

The story you are about to see is true. The names are the same to prevent an investigation.

For the next one hundred and eight pages, in cooperation with the NEVAMO staff, you will travel step by step on

the side of the school through an actual case transcribed from the files of the Nevada Junior-Senior High School, Nevada, Missouri.

From the beginning to end, from enrollment to graduation, "Dragnet" is the story of your high school in action.

Of course, **DRAGNET**

Anti-Van

From 6 until 12 the events rolled on. First were the movies, both comical and frightening. Then came the talent show, the coronation, and the dance.

The Talent Show was presided over by those masters of comics—Bill Schiller and Bob Middleton.

The decorations often make the party. The goblins outdid themselves for the Anti-Van party this year. Mr. "I. M. A. Scarecrow," shown here, presided over the dining room. Everywhere one encountered spooks, jack-o-lanterns, ghosts, and witches.

"Come and get it!" With these words the mad dash began. The tables sagged under the weight of cookies, sandwiches, and apples, all furnished by the mothers. The P. T. A. also furnished soft drinks. Something unusual happened though; there was food left over!

Party

"Now, this line says . ." and that's not all. There was more to be learned from the wise woman with mystic powers. Speaking of mystic powers, did you visit the Spook Room? It was a great success and several people wanted to go in again.

The first prize winner was Sharon McCaffree with a piano solo. Second prize went to the Tom Cat Five with a take-off on "Dragnet," and third prize was awarded to Karen Hendrix for her reading.

"And the band played on." With Bob Wolfe's band furnishing the music, the dance got under way. Those high heels aren't what they are cracked up to be, for several girls complained of aching feet before the festivities were ended.

The couples march through the lines of players for the coronation.

Homecoming Dance

Yell leaders Joyce Belcer, Joyceln Bailey, Betty Jackson, Earlene Bell and Carolyn Linder watch as their leader Jeanie Broughton participates in the homecoming coronation.

Betty Jackson, Sharon Yeokum, Lois Wynes enjoy Phyllis Koehler's account of what happened.

Nancy Harper, Louis Gonterman, Donna Doelling, Ray Ryan, Bob Overton and Jan Runyan sit one out during the dance.

Junior-Senior Prom

A deep sea diver very aptly carries out the theme of the Junior-Senior Prom, "Maritime Odyssey".

Shirley Rogers, Charles Anderson, Joyceln Bailey, Louis Gonterman, Janice Balk, Ed Kerr, and Sherrill Neas are having a "gab" session.

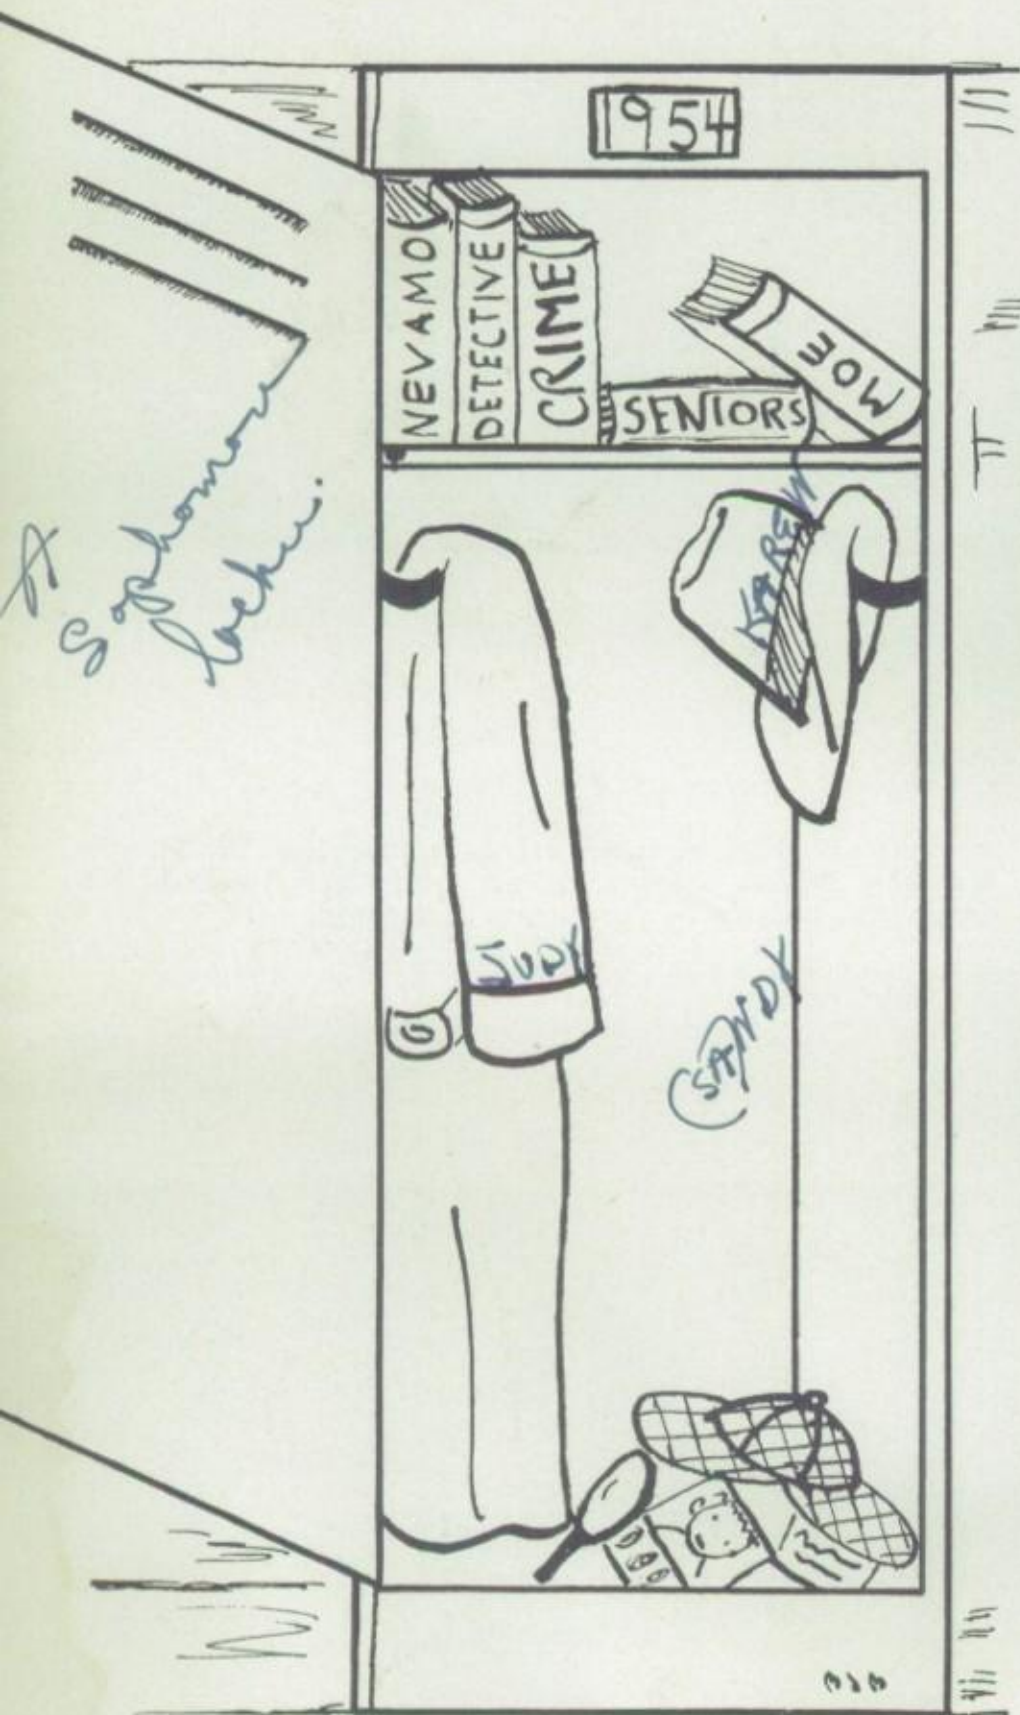

Beverly Woods, Arman Schwarz, Orville Wells, Marjorie Edson, Jackie Jarrett, and Carl Hendrix enjoy the beauty of Neptune's Kingdom.

Jim Householder, Anne Woodfill, Peggy Brown, and David Catron are about to enter the kingdom at the bottom of the sea.

Nevada Tigers played well in conference and in non-conference games. After losing to Ft. Scott 13-0 in a driving rainstorm, Nevada bounced back to upset a highly touted Bolivar eleven with a score of 21-14 to snap the 15 game winning streak of the Liberators. The next week with Forest Nichols again showing the way, the Nevada Tigers smashed the champion El Dorado Bulldogs 37-7. El Dorado had a record of being undefeated in three years of conference play.

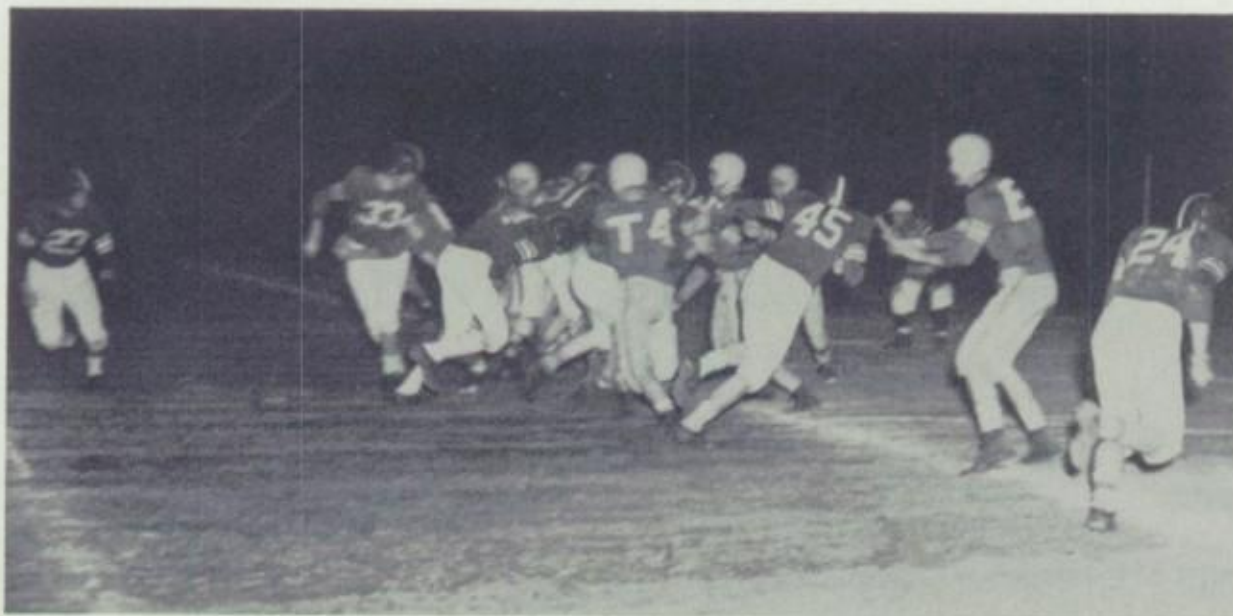

With an impressive pre-conference record behind them, the Nevada team journeyed to Carthage for the conference opener. It was a wide open battle all the way, with two teams fighting the length of the field, alternately scoring touchdowns. Nevada gridmen outgained the Carthage team on the ground, but they were no match for Carthage's superior passing attack which led Carthage to the big end of the 28-20 score.

Opening the home football schedule with an enthusiastic crowd swelling the stands at Logan Field, the Tigers clashed with the Aurora Houn' Dawgs. Defense was outstanding as both teams were held to short yardage. Aurora's forward wall proved virtually impenetrable. Nevada's hopes were temporarily lifted late in the third quarter when the Tigers broke loose for a 33 yard touchdown run which put them within 6 points of the Houn'd Dawgs. The Aurora eleven soon plowed through for another tally to win the game 18-6.

The Tigers roared through to their first conference victory by downing the Monett Cubs 20-12. Nevada started the scoring soon after the game started. Monett received the kickoff, but fumbled on their 5 yard line. The ball rolled to the 1 yard line where it was recovered by Nevada. On the first play the Tigers went over for the first score. The second Nevada TD came a few minutes later on the first play after the Tigers again gained possession of the ball. This was the first appearance of a trick play, known as "lazybones," which was destined to become famous with the Nevada Tigers.

With spirits heightened by their victory against Monett, the Tigers descended upon Mt. Vernon where they soundly thrashed the Mountaineers 34-0. It was a tough battle the first half with the Tigers reaching pay dirt only once. Nevada went wild the second half on 4 TD's and 4 conversions to wrap up their second conference victory.

The Tigers won a hot one from a fighting Webb City team, defeating the Cardinals 44-19. Webb City lost no time in starting the ball rolling, for on the first play after kickoff they connected with a pass which went all the way. The Nevada team came back scoring 3 touchdowns in succession. Not to be outdone, the Cardinals rallied with two quick TD's to tie the score 19-19. Nevada dominated the last half proving their superiority by a final score of 44-19. Carl Hendrix was the sparkplug for the Tigers, scoring 32 points on 5 touchdowns and 2 extra points.

The Neosho Wildcats drove 60 yards for a touchdown in the last five minutes of the game to defeat Nevada's battling Tigers 19-14. Just before the Wildcats winning drive, Nevada quarterback Bob Middleton had boosted the Tigers into a 14-13 lead with an 80 yard touchdown run after intercepting a Neosho pass. The Wildcats made good use of the few remaining minutes by driving down field for the winning touchdown.

With identical win-loss records in conference play, the Nevada and Lamar teams met in what promised to be the most exciting game ever in the traditional battle for the Silver Tiger. Apparently not satisfied with being rated even with the neighboring Tigers the Nevada team delivered to the Lamar gridders a stunning 19-0 defeat. Only several goal-line stands by our Tigers prevented the Lamar Tigers from scoring and reducing the point margin.

In 7 conference games and 3 non-conference games, the Tigers racked up 215 points to 130 for the opponents. They were never defeated by more than two touchdowns. This year's squad can point with pride to a highly successful season in the 1953-54 school year.

The Rifle Club, established in 1941, was organized by Mr. N. T. Patterson. Since that time it has grown in size until it now has a membership of more than forty members. The members are divided into two groups, the beginners and the advanced group.

In January, a team consisting of Mary Haley, Donna Logan, Bill Schiller and Frank Woodfill went to Manhattan, Kansas to compete in annual individual matches held on the Kansas State campus. Out of nine places awarded to competitors in the junior division, the Nevada Riflers were awarded eight.

They keep them busy here.

The Junior High Student Council has undertaken many worthwhile projects during the 1953-1954 school year. Members of the council sell pop and sandwiches at home basketball games. Throughout the year they sell pencils stamped with the schedules of the sports events. They help furnish assemblies for the entire school and lend full support to the Junior High Basketball Tournament. The training obtained from Junior Council work is invaluable in that it trains the members to become capable leaders.

The Senior High Student Council has as its objectives—promoting better student-teacher relations, creating school spirit, and the undertaking of projects for the betterment of the school and of the students.

During 1953 and 1954, the Senior Council has supported the March of Dimes, The Crippled Children's Fund and the Cancer Drive. It has supported the annual Christmas tree for the underprivileged of Nevada and sponsored the Anti-Van Party.

The Student Council sent delegates to Portland, Oregon and to Denver, Colorado for leadership training work. Members of the Student Council take tickets and sell popcorn at all home athletic events, thus making money to finance the council projects.

Junior High Band

Each successive year has seen new growth in the instrumental music department. Each year has also seen improvement. Along with the high school program, Nevada now has a grade school music program. Mrs. Franklin Norman has charge of the strings and Miss Virginia Daughtry directs the grade school bands. It is from this group of students that the concert band draws its future musicians.

Orchestra

At last, with membership and interest growing, the Nevada High School Orchestra is becoming a recognized organization. An increased string program shows much promise for the coming years. The members of the orchestra feel proud of its accomplishments, which include two concerts and the Senior Week exercises.

Row One—Robert Palmer, Lee Roy Cunningham, Mary Duncan, Ruth Stevens, Karlene Zener, Bob Hammontree, Sharon Prouty, and Don Seiberns

Each year the American Legion sponsors an oratorical contest. Requirements are that the orations be original and written on some phase of the United States' Constitution. Sharon McCaffree was the winner of the oratorical contest this year.

The purpose of Boys' State and Girls' State is to provide actual experience in citizenship and government. The American Legion, the American Legion Auxiliary, the Elks, Rotary and Lions Clubs sponsored these delegates to Boys' State: Bill Schiller, Forest Nichols, and David Catron. Peggy Brown, delegate to Girls' State, was sponsored by the American Legion Auxiliary.

The Senior High School Representative to the National Student Council Convention in Portland, Oregon was Jim Householder. David Catron attended the Leadership Training Camp held in Denver, Colorado.

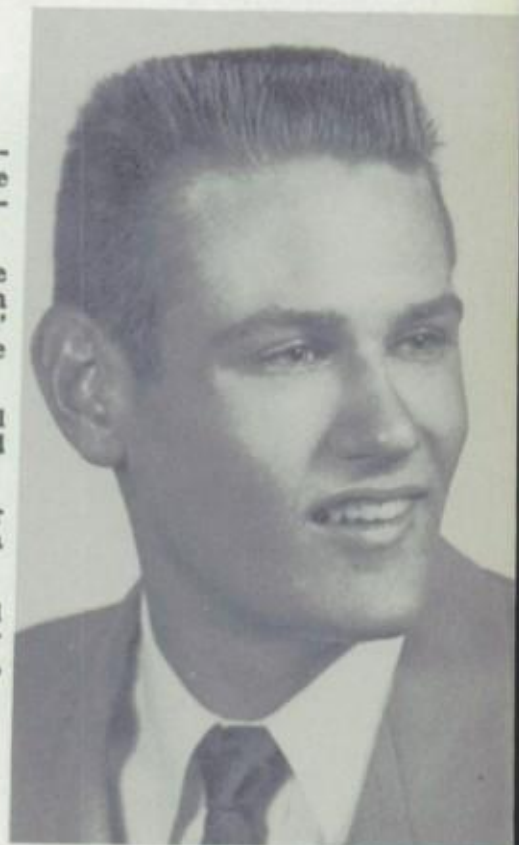

Each year the D. A. R. gives a citizenship award to a girl in the Senior Class. This girl then takes a test in American History in an effort to win a scholarship. Jackie Jarrett was the recipient of the award this year.

A trip to Jefferson City to attend the Sophomore Pilgrimage is awarded to a Sophomore girl. She is selected by faculty and students from the upper one-fourth of the class. This year Jan Runyan was sponsored by the Athenas, the Domestic Science Club, and the Progress Club.

Administration

Superintendent

The tall figure of C. H. Jones, Jr., our Superintendent of Schools, is one familiar to many. Besides teaching, he somehow finds time to take care of his duties as superintendent and participate in and direct several civic activities, foremost of which is the 1954 March of Dimes Campaign. Quietly and efficiently he handles any problems that come before him.

Mrs. Ruth Weltmer is the secretary of the Board of Education and to the Superintendent of Schools. She is a most competent assistant in planning and executing the many details necessary to acquire a fine educational system.

Principal

To be sent to the principal's office does not hold doubts that one might associate with it. One will find friendly advice and guidance from Principal W. Garland Keithly. Besides helping solve the students' problems, he performs his office work, instructs a class in biology, and takes part in community activities such as the Nevada Civic Symphony Board and the tuberculosis drive.

Assisting the principal is Mrs. Nelle Inwood, the registrar and the principal's secretary. Calm and friendly, Mrs. Inwood keeps the numerous records and answers the students' questions.

Board of Education

The members of the Board of Education of the Vernon County Reorganized District Number Five centering in Nevada have a wealth of experience to aid them in their guidance of this district. Dr. Love and Mr. Ewing have served eighteen years; Mr. Logan has served eight years; Mr. Fowler, five; and Mr. Dahmer and Mr. Gibson, two. Mr. Dahmer was a member of the Milo Board for several years prior to his service in the reorganized district.

Four of the board members are graduates of Nevada High School. Hubert Fowler, president, graduated in the class of 1920; Lynn Ewing headed the class of 1921; Virgil Dahmer was a member of the class of 1929 and Dr. W. S. Love graduated in 1915.

Officers not pictured are: Mrs. Gordon Ewing, Third Vice-President; Mrs. Everett Teel, Chairman of Congress Publications; Mrs. Ben Weir, Chairman of Publicity; Miss Edna Mae Ragan, First Vice-President, and Mrs. Karl Zener, Secretary.

One of the outstanding events of the fall is the annual "Chuck-Wagon Supper" which is sponsored by the P. T. A. Two other events in which the P. T. A. serves the school are the Anti-Van Party in the fall and the Junior-Senior Banquet and Prom in the spring.
